Program Dates: April 2 – June 11, 2022

Application Deadline: December 15, 2021

WASHINGTON STATE COMMUNITY COLLEGE CONSORTIUM FOR STUDY ABROAD

Come study in Lyon, rated the #1 city in France for students! Lyon is France's second largest city and an important European crossroad. Its remarkable location in the heart of Europe links Lyon, on an average of 1½ hours, to all of the major European metropolises including Barcelona, Milan, Turin, and Geneva thanks to an equally well performing network of communication by air, road, or rail. The proximity of Provence, the Mediterranean, the Alps, and the large wine regions adds charm to the Lyon area.

Lyon's fine cuisine is an integral part of the local way of life. The city is the capital of French gastronomy and offers a choice of the popular charm of its famous *bouchon* bistros, the refined elegance of its two- and three-star gourmet restaurants, and the warm, lively atmosphere of its open-air markets. The 2000-year-old historic center is now recognized as a UNESCO World Heritage site; artistic creativity thrives and cultural activities abound all year round. Lyon offers a wide palette of cultural events of international standing.
